The Policies of Insurance must be effected in the name and on behalf of the East India Company, as the Parties interested, or endorsed to their order; but persons desirous of effecting the necessary Insurance in this Country, and of depositing the Policies in the Company's Treasury, will be allowed to do so.

5th.—In case of default being made either in acceptance, or payment of the Bills, the Court of Directors to be authorized, in such manner and at such times as they may see fit to sell the Goods, for the purpose of repaying the Company the amount of the Advances made thereon, including Freight and any other charges or expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued; the Company, on the other hand, allowing discount, where any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor; and if in India or China by the Government or Agents from whom he received the Advance, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

**FORT WILLIAM,
LEGISLATIVE DEPARTMENT,
THE 15TH MARCH, 1841.**

The following Draft of a proposed Act was read in Council for the first time on the 15th of March 1841.

Act No. — OF 1841.

An Act to enable Her Majesty's Supreme Courts within the Territories of the East India Company to give relief against adverse claims made upon persons having no interest in the subject of such claims.

I. Whereas it often happens that a person sued at Law for the recovery of Money or Goods wherein he has no interest, and which are also claimed of him by some third party, has no means of relieving himself from such adverse claims but by a suit in Equity against the Plaintiff, and such third party usually called a Bill of Interpleader which is attended with expense and delay;

It is hereby enacted, that upon application made by or on the behalf of any Defendant sued in any of Her Majesty's Supreme Courts in any action of Assumpsit, Debt, Detinue, or Trover, such application being made after declaration and before plea by Affidavit or otherwise, showing that such Defendant does not claim any interest in the subject matter of the suit, but that the right thereto is claimed or supposed to belong to some third party who has sued or is expected to sue for the same, and that such Defendant does not in any manner connive with such third party, but is ready to bring into Court or to pay or dispose of the subject matter of the action in such manner as the Court (or any Judge thereof) may order or direct, it shall be lawful for the Court, or any Judge thereof, to make rules and orders calling upon such third party to appear and to state the nature and particulars of his claim; and maintain or extinguish his claim, and upon such rule or order to hear the allegations

as well of such third party as of the Plaintiff, and in the mean time to stay the proceedings in such action, and finally to order such third party to make himself Defendant in the same or some other action, or to proceed a trial on one or more soigned issue or issues, and also to direct which of the parties shall be Plaintiff or Defendant on such trial, or with the consent of the Plaintiff and such third party, their Counsel or Attorneys to dispose of the merits of their claims, and determine the same in a summary manner, and to make such other rules and orders therein as to costs, and all other matters as may appear to be just and reasonable.

II. And it is hereby enacted, that the judgment in any such action or issue as may be directed by the Court or Judge, and the decision of the Court or Judge in a summary manner, shall be final and conclusive against the parties and all persons claiming by, from, or under them.

III. And it is hereby enacted, that if such third party shall not appear upon such rule or order to maintain or relinquish his claim, being duly served therewith, or shall neglect or refuse to comply with any rule or order to be made after appearance, it shall be lawful for the Court or Judge to declare such third party, and all persons claiming by, from, or under him to be for ever barred from prosecuting his claim against the original Defendant, his Executors or Administrators; saving nevertheless the right or claim of such third party against the Plaintiff; and thereupon to make such order between such Defendant and the Plaintiff, as to costs or other matters, as may appear just and reasonable.

IV. And it is hereby provided, that every order to be made in pursuance of this Act by a single Judge not sitting in open Court, shall be liable to be rescinded or altered by the Court in like manner as other orders made by a single Judge.

V. And it is hereby enacted, that if upon application to a Judge, in the first instance or in any later stage of the proceedings, he shall think the matter more fit for the decision of the Court, it shall be lawful for him to refer the matter to the Court, and thereupon the Court shall and may hear and dispose of the same in the same manner as if the proceeding had generally commenced by the Rule of Court instead of the order of a Judge.

VI. And whereas difficulties sometimes arise in the execution of process against Goods and Chattels issued by or under the authority of the said Courts, by reason of claims made to such Goods and Chattels by Assignees of Bankrupts and other persons not being the parties against whom such process has issued, whereby Sheriffs and other Officers are exposed to the hazard and expense of actions; and it is reasonable to afford relief and protection in such cases as such Sheriffs and other Officers, it is therefore hereby further enacted, that when any such claim shall be made to any Goods or Chattels taken or intended to be taken in the execution under any such process or to the proceeds or value thereof, it shall and may be lawful to and for the Court from which such process issued upon application of such Sheriff or other Officer made before or after the return of such process, and as well before as after any action brought against such Sheriff or other Officer, to call before them by Rule of Court as well the party issuing such process as the party making such claim, and thereupon to exercise for the adjustment of such claims and the relief and protection of the Sheriff or other Officer, all or any of the powers and authorities hereinbefore contained, and make rules and decisions as shall appear to be just, according to the circumstances of the case, and the costs of all such proceedings shall be in the discretion of the Court.

VII. And it is hereby enacted, that all Rules, Orders, Matters and Decisions to be made and done in pursuance of this Act except only the Affidavits to be filed, may together with the declarations in the cause if any, be entered of record with a note in the margin, expressing the true date of such entry, to the end that the same may be evidence in future times if required, and to secure and enforce the payment of costs directed by any such Rule or Order, and every such Rule or Order so entered shall have the force and effect of judgment except only as to becoming a charge on any Lands, Tenements or Hereditaments; and in case any costs shall not be paid within fifteen days after notice of the taxation and amount thereof given to the party ordered to pay the same, the Agent or Attorney, execution may issue for the

same by Fieri Facias, or Capias ad satisfacendum, adapted to the case, together with the costs of such entry, and of the execution if by Fieri Facias, and such Writ or Writs may bear Teste on the day of issuing the same, whether in term or vacation, and the Sheriff or other Officer executing any such Writ shall be entitled to the same fees, and no more as upon any similar Writ grounded upon a judgment of the Court.

Ordered, that the Draft now read be published for general information.

Ordered, that the said Draft be reconsidered at the first Meeting of the Legislative Council of India after the 16th day of June next.

T. H. MADDOCK,
Secty. to the Govt. of India.

OVERLAND LETTERS AND POSTAGE.

I T is hereby notified for general information—

First.—That all Letters and Newspapers, except Soldiers' and Sailors' Letters, intended for transmission by the Overland Mails, and except those specially marked "via Falmouth," will be sent through France, and thus be subject to the heavier rate of postage.

Second.—Letters and Newspapers addressed to France as well as those to other foreign countries, with which France is the channel of communication (if the latter are expressly directed to be so sent) will be made up in Packets and sent to the French Post Master at Marseilles; but Letters for Foreign Countries, other than France, if not specially directed to France, will be included in the Packets for England. Letters, &c., for places lying between Bombay and Marseilles, will be despatched in separate Packets.

Third.—Letters for the United Kingdom of Great Britain, weighing less than a quarter of an ounce, and passing through France, are charged single postage, which by that route amounts to 2s. 8d. Newspapers, if sent via Falmouth, are free of postage; but if transmitted by the way of Marseilles, they are charged 2d. each.

CALCUTTA COLLECTORATE, 15TH MARCH 1841.

NOTICE is hereby given, that for the purpose of having a correct record of all the Lands in Dhee Punchawnoogan, the number of Tenures into which they are divided, the Rent payable on each, the names of the actual Holders, and of all necessary particulars calculated not only to shew at once the parties who may in each case be actually responsible for the Ground Rent, but also to prevent losses and disputes to any parties hereafter, the Government have resolved, under the Provisions of Regulation VII. of 1822, extended to Bengal by Regulation IX. of 1825, to cause a Survey and Measurement of those Lands to be made under the superintendence of an Uncovenanted Deputy Collector, appointed under Regulation IX. of 1833. It is at the same time notified, that Government, in coming to this Resolution, does not intend to enhance the rates of Rent now fixed upon any of the hereditary and permanent Tenures in Punchawnoogan, but merely to have them correctly recorded as they now exist in the names of their actual Holders or Owners. With a view moreover to prevent the advantages of the proposed Survey and Measurement being lost either to Government or to individuals, the attention of Holders of Land is particularly requested to the Provisions of Clause VIII., Section XV., Regulation VII. of 1799, by which they are required to Register in the Office of the Collector of the District all Transfers, Successions, or Divisions of their Lands whenever any such changes may take place, and Notice is hereby given, that from and after the completion of the proposed Survey and Measurement, this Office will adopt measures to secure a strict observance of the Rule adverted to by all Landholders in Dhee Punchawnoogan. Mr. M. Crow has been appointed Deputy Collector for the Survey and Measurement of Punchawnoogan.

T. DICKENS, Registrar.

East India Army Agency,

16, Cornhill, and 8, St. Martin's Place, Charing Cross.

Messrs. GRINDLAY, CHRISTIAN, AND MATTHEWS.

THIE numerous communications which have been addressed to Captain Grindlay from all parts of India conveying the most flattering approbation of the manner in which his duties to his constituents have hitherto been performed, and the most cordial assurances of support to the new Firm, commenced in November, 1838, are felt by him to call for a public expression of gratitude.

In thus offering his thanks for the extensive and honorable patronage long afforded to the Establishment under his sole management, and now so kindly promised to the Firm of GRINDLAY, CHRISTIAN AND MATTHEWS, he begs to assure his numerous friends and well-wishers, that the efforts of himself and his partners will be unremittingly directed to merit the continued confidence reposed in them by the various branches of the Indian community, both at home and abroad.

The high character attained by the Establishment under his superintendence has been the result of many years' perseverance.—Its pretensions were tested by experience, and the value of the facilities which it afforded for the dispatch of business, tried and vouchsafed by a large proportion of those whose engagements led them to India. It is acknowledged with pride, that success followed exertion, and the means have thus been obtained of increasing the resources of the Establishment and greatly enlarging the circle of its usefulness.

In conclusion, Messrs. GRINDLAY, CHRISTIAN AND MATTHEWS have only to remind their Subscribers and the Public at large, that they continue to transact every description of business connected with India and the Colonies.

It being understood that Public Officers, in ignorance of the existence and nature of the Orphan Press Contract with Government, occasionally employ other Presses to the prejudice of the Orphan Institution, the General Management deem it expedient to publish, for general information, the following extract of a Letter from Mr. Secretary Prinsep, showing that the Orphan Press has the exclusive privilege of Printing for Government.

"I am directed to acknowledge the receipt of your letter of the 6th instant, and in reply to state that it is by no means the intention of the Government to withdraw any part of its printing business from the Orphan School Establishment, or to allow Public Officers to give a preference to other Presses. On the contrary, the Vice President in Council has declared his readiness to enquire into every case in which other Establishments may be employed to the prejudice of the interests of the Orphan School, whenever such may fall under his notice or be made the subject of representation."

FORT WILLIAM,

LEGISLATIVE DEPARTMENT,

THE 15TH MARCH, 1841.

The following Draft of a proposed Act was read in Council for the first time on the 15th of March 1841.

ACT NO. — OF 1841.

An Act to enable Her Majesty's Supreme Courts within the Territories of the East India Company to give relief against adverse claims made upon persons having no interest in the subject of such claims.

I. Whereas it often happens that a person sued at Law for the recovery of Money or Goods whereto he has no interest, and which are also claimed of him by some third party, has no means of relieving himself from such adverse claims but by a suit in Equity against the Plaintiff, and such third party usually called a Bill of Interpleader which is attended with expense and delay;

It is hereby enacted, that upon application made by or on the behalf of any Defendant sued in any of Her Majesty's Supreme Courts in any action of Assumpsit, Debt, Detinue, or Trover, such application being made after declaration and before plea by Affidavit or otherwise, showing that such Defendant does not claim any interest in the subject matter of the suit, but that the right thereto is claimed or supposed to belong to some third party who has sued or is expected to sue for the same, and that such Defendant does not in any manner collude with such third party, but is ready to bring into Court or to pay or dispose of the subject matter of the action in such manner as the Court (or any Judge thereof) may order or direct, it shall be lawful for the Court, or any Judge thereof, to make rules and orders calling upon such third party to appear and to state the nature and particulars of his claim; and maintain or relinquish his claim, and upon such rule or order to hear the allegations as well of such third party as of the Plaintiff, and in the mean time to stay the proceedings in such action, and finally to order such third party to make himself Defendant in the same or some other action, or to proceed a trial on one or more seigned issue or issues, and also to direct which of the parties shall be Plaintiff or Defendant on such trial, or with the consent of the Plaintiff and such third party, their Counsel or Attorneys to dispose of the merits of their claims, and determine the same in a summary manner, and to make such other rules and orders therein as to costs, and all other matters as may appear to be just and reasonable.

II. And it is hereby enacted, that the judgment in any such action or issue as may be directed by the Court or Judge, and the decision of the Court or Judge in a summary manner, shall be final and conclusive against the parties and all persons claiming by, from, or under them.

III. And it is hereby enacted, that if such third party shall not appear upon such rule or order to maintain or relinquish his claim, being duly served therewith, or shall neglect or refuse to comply with any rule or order to be made after appearance, it shall be lawful for the Court or Judge to declare such third party, and all persons claiming by, from, or under him to be forever barred from prosecuting his claim against the original Defendant, his Executors or Administrators; saving nevertheless the right or claim of such third party against the Plaintiff; and therupon to make such order between such Defendant and the Plaintiff, as to costs or other matters, as may appear just and reasonable.

IV. And it is hereby provided, that every order to be made in pursuance of this Act by a single Judge notwithstanding in open Court, shall be liable to be rescinded or altered by the Court in like manner as other orders made by a single Judge.

V. And it is hereby enacted, that if upon application to a Judge, in the first instance or in any later stage of the proceedings, he shall think the matter more fit for the decision of the Court, it shall be lawful for him to refer the matter to the Court, and thereupon the Court shall and may hear and dispose of the same in the same manner as if the proceeding had generally commenced by the Rule of Court instead of the order of a Judge.

VI. And whereas difficulties sometimes arise in the execution of process against Goods and Chattels issued by or under the authority of the said Courts, by reason of claims made to such Goods and Chattels by Assignees of Bankrupts and other persons not being the parties against whom such process has issued, whereby Sheriffs and other Officers are exposed to the hazard and expence of actions; and it is reasonable to afford relief and protection in such cases as such Sheriffs and other Officers, it is therefore further enacted, that when any such claim shall be made to any Goods or Chattels taken or intended to be taken in the execution under any such process or to the proceeds or value thereof, it shall and may be lawful to and for the Court from which such process, issued upon application of such Sheriff or other Officer made before or after the return of such process, and as well before as after any action brought against such Sheriff or other Officer, to call before them by Rule of Court as well the party issuing such process as the party making such claim, and therupon to exercise for the adjustment of such claims and the relief and protection of the Sheriff or other Officer, all or any of the powers and authorities hereinbefore contained, and make rules and decisions as shall appear to be just, according to the circumstances of the case, and the costs of all such proceedings shall be in the discretion of the Court.

VII. And it is hereby enacted, that all Rules, Orders, Matters and Decisions to be made and done in pursuance of this Act except only the Affidavits to be filed, may together with the declaration in the cause if any, be entered of record with a note in the margin, expressing the true date of such entry; to the end that the same may be evidence in future times if required, and to secure and enforce the payment of costs directed by any such Rule or Order, and every such Rule or Order so entered shall have the force and effect of a judgment except only as to becoming a charge on any Lands, Tenements or Hereditaments; and in case any costs shall not be paid within fifteen days after notice of the taxation and amount thereof given to the party ordered to pay the same, his Agent or Attorney, execution may issue for the same by Fieri Facias, or Capias ad satisfaciendum, adapted to the case, together with the costs of such entry, and of the execution if by Fieri Facias, and such Writ or Writs may bear Teste on the day of issuing the same, whether in term or vacation, and the Sheriff or other Officer executing any such Writ shall be entitled to the same fees, and no more as upon any similar Writ grounded upon a judgment of the Court.

Ordered, that the Draft now read be published for general information.

Ordered, that the said Draft be reconsidered at the first Meeting of the Legislative Council of India after the 15th day of June next.

T. H. MADDOCK,
Secy. to the Govt. of India.

CHARING CROSS.

Messrs. GRINDLAY, CHRISTIAN, & MATTHEWS

THE numerous communications which have been addressed to Captain Grindlay from all parts of India, conveying the most flattering approbation of the manner in which his duties to his constituents have hitherto been performed, and the most cordial assurances of support to the new Firm, commenced in November, 1838, are felt by him to call for a public expression of gratitude.

In thus offering his thanks for the extensive and honorable patronage long afforded to the Establishment under his sole management, and now so kindly promised to the Firm of GRINDLAY, CHRISTIAN AND MATTHEWS, he begs to assure his numerous friends and well wishers, that the efforts of himself and his partners will be unremittingly directed to merit the continued confidence reposed in them by the various branches of the Indian community, both at home and abroad.

The high character attained by the Establishment under his superintendence has been the result of many years' perseverance,—its pretensions were tested by experience, and the value of the facilities which it afforded for the dispatch of business, tried and vouchéd for by a large proportion of those whose engagements led them to India. It is acknowledged with pride, that success followed exertion, and the means have thus been obtained of increasing the resources of the Establishment and greatly enlarging the circle of its usefulness.

In conclusion, Messrs. GRINDLAY, CHRISTIAN AND MATTHEWS have only to remind their Subscribers and the Public at large, that they continue to transact every description of business connected with India and the Colonies.

Parties desiring to support this Agency are informed that Subscriptions of 12 Rupees per annum will be received by

OVERLAND LETTERS AND POSTAGE.

I T is hereby notified for general information—

First.—That all Letters and Newspapers, except Soldiers' and Sailors' Letters, intended for transmission by the Overland Mail, and except those specially marked “via Falmouth,” will be sent through France, and thus be subject to the heavier rate of postage.

Second.—Letters and Newspapers addressed to France as well as those to other foreign countries, with which France is the channel of communication (if the latter are expressly directed to be so sent) will be made up in Packets and sent to the French Post Master at Marseilles; but Letters for Foreign Countries, other than France, if not specially directed to France, will be included in the Packets for England. Letters, &c., for places lying between Bombay and Marseilles, will be despatched in separate Packets.

Third.—Letters for the United Kingdom of Great Britain, weighing less than a quarter of an ounce, and passing through France, are charged single postage, which by that route amounts to 2s. 8d. By the Falmouth route, Letters of half an ounce in weight, are subject to single postage only, which by that route, has now been reduced to 1s.

Newspapers, if sent via Falmouth, are free of postage; but if transmitted by the way of Marseilles, they are charged 2d. each.

CALCUTTA COLLECTORATE, 15TH MARCH 1841.

NOTICE is hereby given, that for the purpose of having a correct record of all the Lands in Dhee Puncawnogoan, the number of Tenures into which they are divided, the Rent payable on each, the names of the actual Holders, and of all necessary particulars calculated not only to shew at once the parties who may in each case be actually responsible for the Ground Rent, but also to prevent losses and disputes to any parties hereafter, the Government have resolved, under the Provisions of Regulation VII. of 1822, extended to Bengal by Regulation IX. of 1825, to cause a Survey and Measurement of those Lands to be made under the superintendence of an Uncovenanted Deputy Collector, appointed under Regulation IX. of 1833. It is at the same time notified, that Government, in coming to this Resolution, does not intend to enhance the rates of Rent now fixed upon any of the hereditary and permanent Tenures in Puncawnogoan, but merely to have them correctly recorded as they now exist in the names of the actual Holders or Owners. With a view moreover to prevent the advantages of the proposed Survey and Measurement being lost either to Government or to individuals, the attention of Holders of Land is particularly requested to the Provisions of Clause VIII., Section XV., Regulation VII. of 1799, by which they are required to Register in the Office of the Collector of the District all Transfers, Successions, or Divisions of their Lands whenever any such changes may take place, and Notice is hereby given, that from and after the completion of the proposed Survey and Measurement, this Office will adopt measures to secure a strict observance of the Rule adverted to by all Landholders in Dhee Puncawnogoan. Mr. M. Crow has been appointed Deputy Collector for the Survey and Measurement of Puncawnogoan.

CALCUTTA COLLECTORATE, 15TH MARCH 1841.

NOTICE is hereby given, that for the purpose of having a correct record of all the Lands in Dhee Punchawnogoan, the number of Tenures into which they are divided, the Rent payable on each, the names of the actual Holders, and of all necessary particulars calculated not only to shew at once the parties who may in each case be actually responsible for the Ground Rent, but also to prevent losses and disputes to any parties hereafter, the Government have resolved, under the Provisions of Regulation VII. of 1822, extended to Bengal by Regulation IX. of 1825, to cause a Survey and Measurement of those Lands to be made under the superintendence of an Uncovenanted Deputy Collector, appointed under Regulation IX. of 1833. It is at the same time notified, that Government, in coming to this Resolution, does not intend to enhance the rates of Rent now fixed upon any of the hereditary and permanent Tenures in Punchawnogoan, but merely to have them correctly recorded as they now exist in the names of the actual Holders or Owners. With a view moreover to prevent the advantages of the proposed Survey and Measurement being lost either to Government or to individuals, the attention of Holders of Land is particularly requested to the Provisions of Clause VIII., Section XV., Regulation VII. of 1799, by which they are required to Register in the Office of the Collector of the District all Transfers, Successions, or Divisions of their Lands whenever any such changes may take place, and Notice is hereby given, that from and after the completion of the proposed Survey and Measurement, this Office will adopt measures to secure a strict observance of the Rule adverted to by all Landholders in Dhee Punchawnogoan. Mr. M. Crow has been appointed Deputy Collector for the Survey and Measurement of Punchawnogoan.

FORT WILLIAM,
GENERAL DEPARTMENT,
THE 24TH MARCH, 1841.

The Right Hon'ble the Governor General in Council is pleased to direct that the following arrangements, which have been concerted between the Hon'ble the Court of Directors and Her Majesty's Post Master General in London, for accelerating the delivery of the Overland Mails, be published for general information:

Instead of the Mail for all India being made up "en masse" in the London Post Office as heretofore, all Letters addressed to the several Presidencies of India, or to Divisions of Presidencies to which the conveyance is by separate lines, will, in future, be packed at the General Post Office in London, in separate box parcels, and in order that this may be properly done, correct lists of the places, the letters for which should be enclosed in the box for each Presidency, have been called for from the Post Master General, and will be forwarded to the Home Authorities as soon as received. It is the intention of the Governor General in Council to suggest, that in the partial sorting, which it is proposed to effect in England of the Overland Letters, the best course will be to leave it to Correspondents to distinguish by the superscription of their Letters, the Presidency or quarter to which they shall be directed from the London General Post Office and from the Falmouth Post Office respectively. Where this is not done on the address, to make up the division Packets according to

the arrangement above planned—and if the address on the Letters shall not come under either of these descriptions, to forward them as Miscellaneous to Bombay to be there sorted, &c.

With a view to assist the early delivery of Letters in London the Post Masters General at the Presidencies will prepare in future the Overland Packets intended to be forwarded to London separately from those for all other parts of the United Kingdom.

Extract Court's Letter, No. 12, dated 31st February, 1841.

Letter dated 15th June, 1840. (No. 67.) Submit for Court's Orders a reference from Bombay as to whether a Member of the Medical Board is entitled to resume his former situation in the Board on his return from sick leave to Europe, and what allowance he is to draw to the extent of his having to wait for his return. When framing the Regulation contained in our Letter of 27th August 1828, para. 13, that Superintending

Surgeons who come to England, on Sick Certificate, shall resume their rank and station on their return to their duty, it was not in our contemplation that any Member of the Medical Board who might come to England on Sick Certificate would desire to return to India for the purpose of completing the residue of his tour of service in the Board, or we should then have provided for such an occurrence. We can now have no difficulty in authorizing the re-admission of the Medical Officer so circumstanced, to the Medical Board, in his proper rank from the date of his arrival at the Capital of his Presidency. The period of Service of the Junior Member who will in consequence revert to his former position of Superintending Surgeon, will count as so much passed out of the term of five years to which service in the Medical Board is limited.

OVERLAND LETTERS AND POSTAGE.

IT is hereby notified for general information—

First.—That all Letters and Newspapers, except Soldiers' and Sailors' Letters, intended for transmission by the Overland Mails, and except those specially marked "via Falmouth" will be sent through France, and thus be subject to the heavier rate of postage.

Second.—Letters and Newspapers addressed to France as well as those to other foreign countries, with which France is the channel of communication (if the latter are expressly directed to be so sent) will be made up in Packets and sent to the French Post Master at Marseilles; but Letters for Foreign Countries, other than France, if not specially directed to France, will be included in the Packets for England. Letters, &c., for places lying between Bombay and Marseilles, will be despatched in separate Packets.

Newspapers, if sent via Falmouth, are free of postage; but if transmitted by the way of Marseilles, they are charged 2d. each.

CALCUTTA COLLECTORATE, 15TH MARCH 1841.

NOTICE is hereby given, that for the purpose of having a correct record of all the Lands in Dhee Panchawnogoan, the number of Tenures into which they are divided, the Rent payable on each, the names of the actual Holders, and of all necessary particulars calculated not only to shew at once the parties who may in each case be actually responsible for the Ground Rent, but also to prevent losses and disputes to any parties hereafter, the Government have resolved, under the Provisions of Regulation VII. of 1822 extended to Bengal by Regulation IX. of 1825, to cause a Survey and Measurement of those Lands to be made under the superintendence of an Uncovenanted Deputy Collector, appointed under Regulation IX. of 1833. It is at the same time notified, that Government, in coming to this Resolution, does not intend to enhance the rates of Rent now fixed upon any of the hereditary and permanent Tenures in Panchawnogoan, but merely to have them correctly recorded as they now exist in the names of their actual Holders or Owners. With a view moreover to prevent the advantages of the proposed Survey and Measurement being lost either to Government or to individuals, the attention of Holders of Land is particularly requested to the Provisions of Clause VIII., Section XV., Regulation VII. of 1799, by which they are required to Register in the Office of the Collector of the District all Transfers, Successions, or Divisions of their Lands whenever any such changes may take place, and Notice is hereby given, that from and after the completion of the proposed Survey and Measurement, this Office will adopt measures to secure a strict observance of the Rule adverted to by all Landholders in Dhee Panchawnogoan. Mr. M. Crow has been appointed D. Deputy Collector for the Survey and Measurement of Panchawnogoan.

2. Audited Bills for arrears of Salary, whether the same shall have been advertised for payment or not, will be received in lieu of Cash Subscriptions without any deduction. Bills of Exchange on the Public Treasury will also be received in subscription to this Loan, with a deduction at the rate of 5 five per cent. per annum for the period they may have to run. Treasury Notes, and all authorised Public Demands, will be received as cash at par.

3. The Paymasters of the Army under the several Presidencies are also authorised to transfer any demands which may be payable by them respectively to this Loan, and to grant drafts at the Presidencies of Fort William, Fort St. George, and in the North Western Provinces for the amount, in the usual manner, on the Accountant General; and at the Presidency of Bombay, on the Military Pay Master General, which Drafts shall be received by the several Officers above mentioned, in payment of subscriptions, on being tendered to them for that purpose.

4. Furruckabad, Lucknow, Madras, and Bombay Rupees will be received where respectively current at par with the Company's Rupees, in which last mentioned currency all Acknowledgments for the receipt of money into this Loan shall be expressed, interest when paid in these Rupees will be issued at the rates antecedently specified.

5. The several Public Officers authorised to receive subscriptions into this Loan will grant Acknowledgments in the following Form, for all sums received by them respectively.

"I hereby acknowledge that A. B. has this day paid into the East India Company's Treasury the sum of Company's Rupees _____ for which he is entitled to receive a Promissory Note, bearing interest from the (30th of June or 31st December next ensuing) of the year in which the subscription may be received as the case may be) of the tenor and subject to the conditions specified in the advertisement published in the Calcutta Gazette of the _____ and intermediately the same interest from the date of this Acknowledgment to the (30th of June or 31st December of the year of subscription as above.)"

6. The Deputy Accountant General at Fort William will, on the said Acknowledgments being delivered to him, forthwith cause to be prepared and issued to the parties entitled thereto, Promissory Notes under the signature of the Secretary to the Government of India in the following Form:

"FORT WILLIAM, the 30th June, 1841."

"Promissory Note at 5 (five) per Cent for Company's Rupees —

B. his Executors or Administrators, or his or their order, on demand at the General Treasury of Fort William, after the expiration of three months notice of payment to be given by the Governor General of India in Council in the Calcutta Gazette, and to pay the interest accruing on the said sum of Company's Rupees at the rate of 5 per cent. per annum, by half-yearly payments at the General Treasury of Fort William, to the said A. B. his Executors or Administrators, until the expiration of three months after such notice of payment as aforesaid, when the amount of interest due will be payable with the principal, and (such notice being considered as equivalent to a tender of payment at the period appointed for the discharge of the Note) all further interest shall cease."

7. The several Officers authorised to receive subscriptions will, on application from the Holders of Acknowledgments, transmit them (free of every expense whatever) to the Accountant General in Bengal, to be exchanged for Promissory Notes bearing interest from the 30th of June, or 31st December next ensuing after the date of subscription. The interest accruing on the broken period of the half year, that may intervene between the date of subscription and the 30th of June, or 31st December next ensuing, as the case may be, will be paid up at the time of granting the Acknowledgment.

8. Proprietors of Notes who may require the interest to be paid at the General Treasury of Fort St. George, shall be entitled to receive it accordingly, provided they previously notify their wish to the Accountant General at Fort William, and present the Notes to him to have an order for the payment

of interest at the said Treasury, written on the face of them, under the signature of the said Officer or that of the Deputy Accountant General. And after such order shall, on the application of the Proprietor, be inscribed on any Note the interest shall be payable only from the said Treasury, unless the Proprietor shall present the Note with an application for the purpose of transferring the payment to Bengal, to the Accountant General at Fort St. George, who, on such application being so made, will cancel the said order by writing inscribed as aforesaid, under the signature of himself or his Deputy, a similar course will be followed, mutatis mutandis, in the case of Proprietors of Notes who may desire to have the interest thereof paid at the General Treasury of Bombay.

10. The Promissory Notes of this Loan shall not be renewed or subdivided except by the Accountant General at Fort William. But the Accountants General at Fort St. George and Bombay will, on application of the Proprietors of such Notes, and the payment of the established fees, transmit them to the Accountant General in Bengal for the purpose of being renewed, or subdivided free of all further expence. In other respects the practice and rules heretofore in use in regard to the renewal and subdivision of Promissory Notes will be adhered to.

11. The Notes of this Loan shall be advertised for discharge relatively to the 5 per cent. Loans of 1825, and 16th January 1830, in the order of their date, and the several Notes of this Loan shall be advertised for payment in the inverse order, in which they shall have been placed on the General Register, that is to say, the Notes last brought on the Register shall be first liable to be discharged. But all Notes advertised at the same time for payment shall become payable on demand, without regard to priority, at the expiration of the notice. Government shall also be at liberty to advertise other Notes for payment without waiting for the expiration of pending notices, and to discharge the Notes so subsequently advertised at the expiration of the notice relating to them, notwithstanding the Holders of Notes comprised in prior advertisements may have omitted by themselves, or their Attorneys duly authorised to apply for payment.

By Order of the Right Hon'ble the Governor General in Council,

T. H. MADDOCK,

Secretary to the Govt. of India.

Camp Nazian Valley, 24th February, 1841.

TO MAJOR GENERAL ELPHINSTONE,

Comg. in Affghanistan,

on his march towards Cabool via Peshawur.

SIR,—I have the honor to report to you that at the requisition of the Envoy and Minister at the Court of Shah Soojah ool Mookh for a force to coerce a refractory Tribe called the Sungho Khail, inhabiting the Nazian Valley, I marched from Jellalabad on the morning of the 21st instant with the

Detachment of Sappers and Miners.

Ditto 1 Troop 1st Brigade of Horse Artillery with 4 Guns.

H. M.'s 44th Regiment and 27th Regiment N. I.

Troops of H. M.'s Shah Soojah ool Mookh.

Detachment of Mountain Train.

1 Squadron 2d Cavalry.

3d Infantry Regiment.

1st Corps of Jan Baz Cavalry.

Nazian Valley, soon after day break, according to the following disposition. Two hundred of the Jazilchees under Hyder Alli, Native Commandant, on the left flank, to move along the high ground closing the Valley on the East side, the remainder of the Corps under the Command of Captain Ferris on my extreme right, to take the enemy on the left flank, two Companies of H. M.'s 44th Regt. and two Companies of the 27th Regt. N. I., supported by two Companies of the former Corps and one of the latter, with two six-pounders, the former under the Command of Capt.

Scott and the latter of Capt. Swayne, of H. M.'s 44th Regt., to cross and move along the heights to the right, on the west side of the Valley. I myself, with the main body, composed of the remaining Companies of H. M.'s 44th under Lieut. Col. Mackrell, and of the 27th Regt. N. I. under Lieut. Colonel Palmer, with two guns under Captain Nicholl, of the Horse Artillery, supported by the 1st Regiment of Jan Baz under Lieut. Golding, and a Squadron of Shah's 2d Cavalry under Lieut. Mayne, proceeded up the centre of the Valley. Captain Craigie, with the Shah's 3d Infantry Regiment, the Mountain Train under Captain Backhouse, 3d Jan Baz under Lieutenant Dowden, and a numerous body of Ooloos or Mookhehs, made a considerable detour and entered the Valley of the eastern pass.

The more unfortunate position of Captain Ferris with his Corps on the extreme right brought him in immediate contact with the enemy as they were driving off their herds and flocks and retiring with their women and children, and as these were inclining over to the left side of the Valley to get out of his reach, the party of two hundred under Hyder Alli, Native Commandant, very opportunely met them from that side, when most of the cattle fell into our hands and several men were killed and wounded on both sides, a party of Jan Baz under Lieut. Golding, made a successful charge amongst the fugitives and killed several.

The conduct of Captain Ferris and the men of his Corps was conspicuous throughout the day; they attacked the enemy with great gallantry and pursued with determined bravery over almost inaccessible heights, driving the enemy before them under a galling fire, as did also the parties under Captains Scott and Swayne. I much regret that Captain Ferris' Corps have suffered some loss. Several Companies of H. M.'s 44th Regt. and 27th Regt. N. I. were out during the day on skirmishing parties, and on every occasion displayed a conspicuous bravery that ensured success.

A few men held out in two Forts and obliged me to blow open the gates, which was effectually accomplished by Lieut. Pigou of the Engineers, supported by the Light Company of H. M.'s 44th Regt. under Capt. Robinson. It is to me a source of deep regret to have to report that the second occasion proved fatal to Lieut. Pigou, who was blown up and killed on the spot, and his body thrown a distance of eighty yards by the sudden explosion of the powder bags—the cool intrepidity with which he performed this trying duty does credit to his memory; in him the service has lost a talented and promising young Officer.

The Nazian Valley, which is about eight miles in length, is studded with Forts from one extremity to the other, some of them are formidable positions. The advance of the Troops was one continued course of success, and by one o'clock nearly the whole of this formidable Valley and all the Forts, too numerous to enumerate, were in our possession.

Lieut. Colonel Mackrell, Commanding H. M's 44th Regiment, and Lieut. Colonel Palmer, Commanding the 27th Regiment N. I., are entitled to my best thanks for the steady support they afforded while advancing.

I am greatly indebted to my Major of Brigade, Captain Grant, and to Captain Bellew, Deputy Assistant Quarter Master General, for the zeal and attention they displayed and the able assistance they rendered me throughout the day.

I have to acknowledge the important services of Captain Paton, Deputy Assistant Quarter Master General, who accompanied me as Field Engineer, and who conducted the right column of attack under Captain Scott, with a skill and judgment highly creditable to that Officer.

I am indebted to Captain Douglas, Assistant Adjutant General, who volunteered to accompany the column, for his able assistance.

Captain Balderson, of the 16th Regiment N. I., who also volunteered his services, made himself generally useful.

I should not do justice to Captain Hopkins, of the Shah's Service, did I not notice the zeal evinced by this Officer in volunteering to accompany his own Corps, the 27th Regiment N. I., and who did good service with the right column of attack.

Lieut. Towgood, Officiating Sub-Assistant Commissary General, is entitled to my best thanks for the excellent arrangements adopted for the necessary supplies.

The useful information and able assistance afforded by Captain Mackeson, Political Agent, greatly facilitated our success.

I have not yet received the returns of Casualties, but which to the best of my information amount to about eight killed and twenty-five wounded; the loss on the part of the enemy has not been ascertained, but it is calculated they must have had from forty to fifty killed and wounded.

I propose advancing again to-morrow with a view to get possession of the southern extremity of the Valley.

I have the honor, &c.,

To MAJOR GENERAL ELPHINSTONE, C. B.,
Comdg. in Affghanistan,

on his march towards Cabool via Peshawur.

Camp Nazian Valley, 25th February, 1841.

SIR,—I have the honor to report that I left my Camp this morning at 6 o'clock and proceeded with a part of the Force up the Valley which contracts into a narrow defile lined with Forts, in many parts confined to the bed of the Nullah with precipitous rocky sides: the enemy appeared in small numbers on the tops of the Hills to the right and left, but retired as we advanced. After proceeding about three miles from the place where I had left the 3d Shah's Infantry Regiment yesterday we came to an open cultivated space studded with Forts, apparently forming the Southern extremity of the Nazian Valley. From this point another Valley winds round to the South West, lined with Forts; and to the left a narrow defile with perpendicular sides, the width of the bed of the Nullah leads into an uninhabited Valley running South East, in which only one dilapidated tower is visible.

The absence of all information with regard to the nature of the Valley, its extent or difficulties, tended to render an advance through such formidable defiles somewhat appalling. The skill displayed by the flanking parties in surmounting and crowning almost inaccessible heights removed every obstacle by thus taking the Forts in reverse and deterring the enemy from retaining possession from the certainty of being surrounded without hope of escape by having their retreat cut off.

The number of Forts now in our possession amount to eighty-four. It is my painful duty to report the death of Captain Douglas, Assistant Adjutant General; a party of the enemy fired upon us while advancing and unfortunately shot him dead by my side. Captain Douglas was a talented officer, of much experience, and is a real loss to the service; I the more deplore the death of this excellent officer as it was the only casualty that occurred this day.

My present advanced position is about twelve miles from the entrance of the Valley.

Herewith I beg to enclose a Return of Killed, Wounded, and Missing on the 24th instant.

I have, &c.

GENERAL ORDERS BY THE RIGHT HONORABLE
GOVERNOR GENERAL OF INDIA IN COUNCIL.

The Right Honorable the Governor General of India in Council has not at an earlier period published for general information, the result of a bold and successful attack made on the 1st of December last, on the force of the insurgent Brahoogees near Kotra, in the Hills adjoining Cutchee, by a Detachment under the Command of Lieutenant Colonel Marshall, in consequence of not having received the ordinary official reports of the action; but in the absence of such reports, His Lordship in Council will no longer refrain from giving publicity to such Official accounts as have reached Government of that brilliant affair, and has been pleased to direct the publication of the following Documents, being Extracts from and Copies of

Lieutenant Colonel Marshall's Detachment Orders of the 2d, and Major General Brooks' Field Army Orders of the 6th of December, 1840. In publishing these Orders, His Lordship in Council is happy to express his high approbation of the spirit and gallantry of the Troops employed in this successful attack.

By Order, &c.,

T. H. MADDOCK,

Secretary to the Govt. of India.

Camp Kotrah, 2d December, 1840.

FIELD DETACHMENT ORDERS BY LIEUTENANT COLONEL MARSHALL.

It is with feelings of the highest gratification, that the Lieutenant Colonel Commanding this small force, expresses his admiration of the truly steady, brave and soldier-like conduct of the Troops under his Command, in the attack yesterday morning, on the Camp of Nusseer Khan. Nothing could have been better executed. To Captain Teasdale, Commanding a detail of 500 men, composed of the 2d Grenadiers and 25th N. I., his most grateful thanks are due, the difficulty of the pass he had to force before getting into position in rear of the enemy's Camp, reflects the highest credit on all hands, and it is only to be regretted, that the nature of the ground and the guide losing the way in the dark, prevented this brave body of men from arriving at their post earlier; as the chances are that, in that case the object of the General Commanding us might have been effected. To Captain Boyd and his little band the Lieutenant Colonel returns his warmest thanks, and requests he will explain to his Detachment the highest opinion he has of their bravery.

The Lieutenant Colonel has not words to express his sense of the service rendered to him by Captain Ennis, in taking 200 men, through the most difficult ground he ever saw, which was praiseworthy in the extreme, and by this movement the enemy were outflanked and turned into the mouths of our guns, and of a brave body of the 2d Grenadiers, by which means a number were slain, and 132 made prisoners.

Captain Rebenack is assured by the Lieutenant Colonel, that he highly appreciated the steady and soldier-like way in which he led on the Light Company. To Captain Jackson also his thanks are due for his steady conduct. In fact the Lieutenant Colonel must conclude by expressing his warmest thanks to all arms employed, and requests this order may be explained to the different Detachments as early as possible. To Lieutenant Pruen, the Lieutenant Colonel has to return his warmest thanks for the practice he made with his guns, nothing could have been better done, and he trusts he may long have that active Officer under his command.

The Lieutenant Colonel has now to return his warmest thanks to Captain Smith, A. D. C. to the General Commanding, for his truly useful services with the Irregular Horse. To Captain Wallace, the Lieutenant Colonel begs to return his thanks for his activity in gaining information of the enemy when we were in position.

The Lieut. Colonel now concludes with saying that he never wishes to lead braver men into the field, for braver cannot be found.

The strength and nature of the Enemy's position must have been plain to all who observed it.

It is now his painful duty to express his deep regret at the loss he has sustained in the death of Lieut. Lodge: a braver, steadier, or better Regimental Staff Officer there never was; and the Lieut. Colonel is convinced his memory will be lasting with his brother officers and men.

The brave fellows killed have met a soldier's death—one of glory; the wounded, the Lieut. Colonel on visiting the Hospital this morning, was happy to find in good spirits, although some of them were severely wounded.

The Lieut. Colonel returns thanks to Doctors Jephson and Knight for their kindness to the wounded.

(Signed) T. MARSHALL,
Lieut. Col. Commanding Field Detachment.

FIELD ARMY ORDERS BY MAJOR GENERAL BROOKS,
COMMANDING THE FORCES IN SINDE.

Camp Sukkur, 6th December, 1840.

Major General Brooks has much satisfaction in notifying to the Troops composing the Field Army, the signal success which has attended that portion of it stationed at Kotra under Lieutenant Colonel Marshall.

The Major General having received authentic intelligence that Nusseer Khan, with the Garrison of Kelat about 4,000 men, had been encamped in a strong position in the hills within 8 miles of Kotra, and that reinforcements to the extent of many thousands were on the road from Thull to join him, directed Lieutenant Smith, 15th Regiment Bengal Native Infantry, and Acting A. D. C. to the Major General, to proceed express to Lieutenant Colonel Marshall's Camp with orders for the Lieutenant Colonel to attack the Khan in his position. Lieutenant Smith left this at 2 o'clock on the 28th ultimo, and although his progress was greatly impeded by falling in with a large body of the enemy's Cavalry who followed and fired on him for several miles, he succeeded in reaching Lieutenant Colonel Marshall's Camp on the morning of the 30th, completing a march of 150 miles in 38 hours. The attack was made the following morning at daylight, by Lieutenant Colonel Marshall, at the head of 900 Infantry of the 2d Grenadiers, 21st and 25th Regiments, Commanded by Captains Boyd, Ennis, and Teasdale, with 60 Irregular Horse under Lieutenant Smith, and two guns under Lieutenant Pruen.

The enemy were completely surprised. Nusseer Khan with two followers escaped on foot at the first alarm, but his Chiefs and followers made a long and desperate defence; nor was it until four of the principal Chiefs and upwards of 500 men were left dead on the field, and nearly the whole of the rest put to

flight; that the enemy's Chief Commander Meer Bohur with his son, six other Chiefs and 132 of their bravest followers, surrendered themselves prisoners. The whole of the enemy's baggage and a large quantity of arms fell into our hands.

The loss on our side, considering the obstinate nature of the conflict, was wonderfully small. Lieutenant Lodge, 25th Regt., 1 Havildar, and 9 Rank and File killed; 2 Havildars and 28 Rank and File wounded.

The Major General returns his best thanks to, and sincerely congratulates Lieutenant Colonel Marshall, the European and Native Officers, Non-Commissioned Officers and Privates, on this brilliant achievement.

The service of Captain Boyd, 2d Grenadiers, Captain Ennis, 21st Regiment, Captain Teasdale of the 25th Regiment, and Lieutenant Pruen of the Artillery, deserve particular praise, and will be brought to the notice of His Excellency the Commander in Chief. The services of Lieutenant Smith deserves the Major General's warmest praise not only for his gallantry in the field, which was conspicuous, but for the determined perseverance and courage which he displayed in pressing on, despite of fatigue, and the dangers which surrounded him in a country occupied by the enemy, so as to deliver his despatches to Colonel Marshall in time to ensure the instructions they contained being carried into effect, before the arrival of the re-inforcements expected by the enemy, which would have rendered the attempt impracticable.
